Meeting Agenda
December 9, 8:30 a.m. (PST)**

Attendance: Barb Fjelstad-Minnehaha Academy, Deborah Knott-Walker-Valley Christian (Dublin), Shirley Hitchcock-Valley Christian (San Jose)

8:30 a.m.—Prayer—Deborah

Discussion:

◆ **Scope & Sequence**

- Essential elements for scope and sequence
 - Discussion:
 - Items that are currently in VCS' scope and sequence, the model being used by both other participating schools.
 - Items that may be added in the future: technology standards, biblical integration standards
- Why do we write scope and sequences?
 - Discussion:
 - Teachers need to transition their thinking to student focused education instead of teacher focused education.
 - They need to see scope and sequence as a living document which informs instruction

◆ **Content Standards**

- Discussion: We had a robust discussion regarding the following questions and generated some ideas of how to train teachers in this area.
 - How do standards relate to scope and sequence?
 - What do standards and scope and sequence have to do with instruction?
 - How do we put it all together?

◆ **Other topics—None discussed**

10:30 a.m.—Closing (or earlier)

Next Meeting: Tuesday, January 12, 8:30 a.m. (PST)

- ◆ Content Standards & ESLRs
- ◆ Follow up on work since December 9 meeting
